CLERK U.S. DISTRICT COURT  
WEST. DIST. OF PENNSYLVANIA

IN THE UNITED STATES DISTRICT COURT FOR THE  
WESTERN DISTRICT OF PENNSYLVANIA

Amended Complaint

① My complaint is THAT I AM NOT GETTING MEDICAL TREATMENT PROPERLY. THIS ALL STARTED NOVEMBER-DECEMBER 2019 WITH MY EAR PROBLEMS, I TOLD MEDICAL THAT I HAVE OTIS MEDIA (RUPTURED EAR DRUMS) WHICH GET INFECTED BEHIND THE DRUM. DUE TO WATER GETTING BEHIND AND INSIDE THE EAR DRUM CAUSING INFECTION I WAS TREATED WITH ANTIBIOTICS THAT WOULD NOT WORK FOR THE INTERNAL INFECTION. THE PAIN AND PRESSURE WAS UNBEARABLE AT TIMES UNTILL THE DRUM WOULD CRACK AND POP AND DRAIN THIS WENT ON FOR MONTHS. FINALLY JUN 29, 2020. I WENT TO AN OUTSIDE DOCTOR DID SOME TESTS AND CLEANED THE INSIDE OF MY DRUM AND RECOMMENDED ME TO A NOTHER DOCTOR. AT THIS TIME I WAS ON MORE ANTIBIOTICS WHICH DID NOT HELP. I FINALLY GOT TO SEE THE SECOND DOCTOR JANUARY 19, 2021. THE FIRST DOCTOR RECOMMENDED ME TO SEE THE NEW DOCTOR A.S.A.P. 7 MONTH LATER I GOT TO SEE HIM AND HE RECOMMENDED A C/T SCAN ON MY HEAD TO SEE THE BONE LOSS IN MY NASAL CAVITY AND TO RETURN IN 2-3 WEEKS I HAD A FOLLOW UP WITH HIM ON FEBRUARY 22, 2021 BUT THERE WAS NO C/T SCAN SO HE ORDERED ANOTHER C/T SCAN AND FOLLOW UP IN 2-3 WEEKS. ON APRIL 19, 2021 I FINALLY GOT THAT C/T SCAN AND NOW WAITING FOR THE FOLLOWUP APPOINTMENT.

DURING ALL THIS ALL MY NOTES AND MEDICAL PAPERS WERE LEFT IN MY PROPERTY AT BUTTER JAIL SO I HAVE NO SUMMARY REPORTS TO SHOW BECAUSE MEDICAL SAID THEY ALREADY GAVE ME COPIES. AND I KEEP GETTING POINTED IN DIFFERENT DIRECTIONS AT EVERY TRY.

② Blood was taken in May 2020 to look in to my Infection with my EARS and to see what EARS might be going on with my constant ARIES and PAINS and NO ONE CONTACTED me until I see the Nurse the First week of June and she informed me in the Hall by the Elevator on LEAVE 4 THAT I HAVE LYMES DRIES and High Blood Pressure she told me to take meds that she was going to prescribe THAT I would be just fine. I asked about this and was told nothing. I confronted Laura Williams in December of 2020 about the Lymes and December 25 2020 she told me THAT I DONT HAVE LYMES. I HAVE HAD A NURSE give PAMPHLETS on LYMES. Why would they do THAT IF I DONT HAVE IT.

Again All my Summary Reports from medical were left in my property at Butler Allegheny County Sheriffs would NOT let me bring my PAPER WORK.

③ A small wound on my left leg would not heal AFTER the leg shackle cut open the incision ankle November 2019 now it has some kind of BACTERIA EATING my skin away The Bacitracin Ointment they keep putting on IT MAKES IT WORSE and they keep prescribing it. All this has been going on for over 16 months.

I WAS JUST Told APRIL 21, 2021 THAT they were short staffed and they would get me my summary reports as soon as they could I DO HAVE A PICTURE of my leg on the outside A lawyer took through video COFRANCE

The Relief I am seeking is for PAIN and SUFFERING, HEARING LOSS, All medical Bills Paid And 2.5 million DOLLARS FOR THE HEARING I will NEVER get BACK and my Equilibrium. (BALANCE) THAT PLACES me CAUSE OF THE EARS.

Respectfully 4-25-2021
